**NAWASA Spreads Christmas Cheer To Consumers**

**December 20<sup>th</sup>, 2012 - St. George's, Grenada:** At 9:00 a.m. on Thursday December 20<sup>th</sup>, 2012, two teams of NAWASA employees journeyed around the island bringing Christmas cheer to thirty two (32) families. The recipients were surprised with Christmas Food Hampers which included food stuff, toiletries and of course the Christmas ham.

The lucky recipients were identified by employees and fit the selection criteria of financially vulnerable, but, with unwavering commitment toward the payment of their monthly water bills.

The activity is into its 8<sup>th</sup> year and according to General Manager Christopher Husbands, "It is a gratifying and humbling experience every year for every single member of the NAWASA family. The opportunity to be able to add even the smallest smile to anyone's face and especially a customer, especially at this time of year is an enormous privilege."

Consumers were high in praise for the contribution of NAWASA and expressed their gratitude for the unexpected outreach and particularly the involvement of staff.

The Board of Directors, Management and Staff of the National Water and Sewerage Authority (NAWASA) extend best wishes to all consumers for 2013.
